INTERNSHIP EXPERIENCE

Graphic Design & Ecommerce Intern | VictoryStore May 2025 – Aug 2025

- **Managed high-volume production** of graphics and product imagery using **Adobe Photoshop and Illustrator** for Amazon listings.
- **Revitalized underperforming product pages** by restructuring layouts and optimizing descriptions to improve user engagement.
- **Demonstrated high performance and reliability**, resulting in a request from leadership to extend the internship duration beyond the initial term.
- **Leveraged Amazon Seller Central** and digital merchandising best practices to enhance product visibility.

PROJECTS

Personal Portfolio Website Dec 2024 – present

- **End-to-end development** of a professional portfolio site using **HTML, CSS, and JavaScript** to showcase design projects.
- **Designed custom vector illustrations** and branding assets to create a unique and cohesive visual identity.
- **Implemented responsive design principles**, ensuring seamless usability and high performance across platforms.
- **Utilized interactive animations** to enhance user engagement and provide a modern, polished browsing experience.

Blossom Podcast Brand & Website Project Feb 2026 – May 2026

- **Developed a complete visual identity system**, including logo design and color palettes for a fictional production brand.
- **Engineered a responsive one-page website using HTML/CSS**, focusing on visual hierarchy and mobile-friendly navigation.
- **Created a multi-channel promotional campaign**, including social media graphics for the Blossom network's true crime podcast "True Death".

Mood Tracking Mobile App (UI/UX) Sep 2025 – Dec 2025

- **Architected a minimalist UI/UX design** from concept to high-fidelity prototype using **Figma**.
- **Developed comprehensive user flows and wireframes** to streamline the navigation experience for daily emotional tracking.
- **Established a cohesive design system**, including a standardized typography scale, color palette, and reusable UI components to ensure visual consistency.
- **Applied user-centric design principles** to create an intuitive interface focused on reducing cognitive load for the end user.

WORK EXPERIENCE

Piano Teacher | Metropolitan School of the Arts Aug 2023 – present

- **Translated complex technical concepts** into individualized lesson plans, demonstrating strong communication and organizational skills.

Administrative Assistant | The Piano Company (Seasonal) Aug 2019 – July 2024

- **Managed data entry** and professional phone communications for customer requests.
